## MARATHON'S HARD JOURNEY

MEETS A REMARKABLE SERIES OF OBSTRUC-TIONS, BUT WINS LIKE A GOOD HORSE.

Falcada Runs a Fast Mile and Defeats Question Mark-Accountant Given to the New York Breeding Bureau.

New York, July 9.—An average crowd was on hand at Brighton Beach today to see a good, but somewhat depleted card of six races run off. Marathon, the winner of the third race at 1 to 8, was the second shortest-priced horse that has started horse this season. In line with the odds, the Martagon four-year-old was and had to be immeasureably superior to his opponents to survive the extraordinary series of happenings which attended him from the outset. To be almost crowded over to the fence at the start, thrown to his knees by a careening opponent a moment afterwards, then compelled to jump clear over a prostrate animal a little further on to obtain clear sailing and then successfully spreadeagle his opponents, was a feat such as is not often witnessed. This is just what Marathon did, however, and establishing a precedent in the matter of qualifications necessary to constitute a genuine 1 to 10 shot on the turf.

The chief racing feature was the fourth race, at one mile, modeled after the famous Brighton Mile, Superior-class three-year-olds were engaged, including Falcada, Question Mark, Live Wire, Great Pirate and Sir Cleges. The start of the race was only a few yards from the short first turn. This is probably the most ticklish starting point on any track in the country, on account of its close proximity to this dangerous first turn. The entire quintette were on their bad behavior, Question Mark, the favorite, was severely kicked by Falcada, which, with Lee's injudicious pacemaking, combined to defeat him. Falcada received unusually heavy support and, ridden to perfection by Eddie Dugan, won from a better horse in 1:39 flat. But for a fraction of a shade of odds favorites captured five out of the six races, and, with Falcada, a second choice and the medium of a considerable coup, the layers must have experienced a bad day of it financially.

The weather was cloudy and cool and the track was fasts.

was fast.
Francis R. Hitchcock has just been made governor and treasurer of the Coney Island Jockey Club.
Antaeus, a three-year-old, sent out overnight as an entry, was not eligible to the third race, the continuous providing for non-winning four-year-olds and appeared in 1908.

Francis the apprentice rider, who was through

ditions providing for non-winning four-year-olds and upwards in 1908.

Fuerst, the apprentice rider, who was thrown violently to the ground opposite the clubhouse while riding Disaster in this race and rendered unconscious, was removed to the Coney Island emergency hospital. He sustained severe bruises but no bones were broken. Charles Ellison, the horseman, a nearby witness of the accident, was the first one to go to the injured lad.

It is reported that former jockey Redfern is gradually getting into condition to resume riding, and that he will make his next appearance in the saddle abroad.

About twenty upstate detectives, emissaries of Governor Hughes, were at the track this afternoon on a mission of investigation into the way betting on the races is being conducted since the Hart-Agnew anti-betting law went into effect.

Senator Gus Hartman of California was a visitor at Brighton Beach today. Referring to the present anti-raching agitation in his own state the senator said that a little timely and honest endeavor was all that was needed to safeguard the thoroughbred sport. "These bigoted so-called reformers and tresposters on people's libertles will be beaten at the polls this fall. Besides," he continued. "Californians are sensible of the tremendous material benefits that accrue to their state by reason of the yearly influx of 10,000 or more eastern visitors, who come there every winter to enjoy the winter racing at Oakland and Los Angeles. Now, with next winter's alluring prospect of higher class racing than ever before by a lot of famous stake horses, and the zesultant enormously increased eastern turf patronage. before by a lot of famous stake horses, and the re-sultant enormously increased eastern turf patronage, the moneyed kind, what chance have these narrow-minded imbeciles to crush the best of all outdoor sports. Why, all the promotion committees on the Pacific coast put together do not accomplish a tenth as much in the way of advertising California as its racing enterprises. Furthermore, our people owe it to themselves as well as to the country at large to make a determined stand at this critical juncture to retain our personal liberties. I have just joined your Personal Liberty League and an owe it to themselves as well as to the country at large to make a determined stand at this critical juncture to retain our personal liberties. I have just joined your Personal Liberty League and am proud to wear the button of membership. I believe it is destined to work wonders in the near future. It's a great and timely movement."

The stallion, Accountant, by Sir Dixon—Reckon, the champion stake-winning three-year-old of 1905, for which James B. Brady paid \$30,000, has been donated to the State Breeding Bureau by his present owner. He has been sent for stud services to E. L. Munson of Hempstead, Nassau county, New York.

## ED CORRIGAN'S HOPEFUL IDEA OF THINGS

Lexington, Ky., July 9.—Edward Corrigan spent the day at his farm and left tonight for Latonia. He wired Dr. Bryan at Latonia today to geld several of his two and three-year-old colts. These he in-tends to sell for cavalry purposes. He is making arrangements to sell off all of his mares at weaning time.

time. "I have decided to sell every horse I have and am going to do it, no matter what they bring," said Mr. Corrigan. "Racing is not entirely dead in this country, the tide of sentiment has already begun to turn and there are better and brighter days ahead for the sport."

## YENTUCKY COMMISSION TO STAND FIRM.

Unclinati, O., July 9.—After Latonia's "welsh," Miton Young and E. F. Clay, of the Kentucky Racing Commission, declared that there was and will be no change in their attitude toward the antibookmaker policy of the commission and, while they declined to answer the question of what the commission might do in the future, they left the impression that they would stand firm, and that at least one of the three other members would vote with them when the question will come up in conaction with applications for fall dates for Lexington, Latonia and Louisville.

## NEW KENTUCKY RACING PARTNERSHIP.

Cincinnati, O., July 9.—Frank Hogan, a nephew of Charles Grainger, of Louisville, and Miller Henderson, another young Kentucky man, are getting a stable together. They purchased ten yearlings at an average price of \$212 apiece at the Carson—Oxnard sale at Sheepshead Bay ten days ago and the youngsters will be broken in the fall. The highest priced youngster Hogan and Henderson bought was a son of Griffon and Daisy Chain, by Galore. He was bred at Major Carson's Dixiana Stud and cost the Kentuckians \$500.

ONE WINDSOR RACE DECLARED OFF.

Big Attendance and Many New Arrivals-Good Horse Photographer Falls Lame.

Detroit, Mich., July 9.—The card originally offered at Windsor this afternoon called for seven races. The feature race was a mile condition dash which brought together a good field, but the presence of Martin Doyle in the race frightened the owners of the other four entries and they scratched. This forced the race to be declared off, which left only six to be run. The sport was good and a majority of the finishes close enough to be interesting. Favorites won two of the races, while a couple of the other winners, Halbard and Imboden, were well backed and their victories meant heavy loss to the ring. The attendance was up to the high standard set in the opening week and speculation was lively. The racing here this summer exceeds by far in interest, any ever given at the Windsor track and the management are doing their part in trying to provide good sport for their patrons.

The closing of Latonia brought another large delegation from the Milldale track. Among those to arrive this morning were jockeys Andrew Minder, Heidel. Elenor and Connelly. Powers will be here Monday morning. The stables of Edward Alvey and H. H. Marlin also arrived. Judge Charles Price, who officiated as the presiding official at Latonia, also got in and will spend several days here with friends before going north.

Photographer, rated as the best Canadian-bred out this season and a horse which showed high class form at Toronto this spring, pulled up very lame after a work-out this morning and will be shipped back to Adam Beck's farm near London. Fred Cook's three-year-old, Johnnie Blake, injured himself in his race yesterday and this morning trainer Bill Phillips found one of the colt's ankles swollen to twice its natural size. The trouble appears to be a serious one and it probably means Johnnie Blake's retirement for the season.

W. Harris will ship three horses to Quebec tomorrow.

The jumper Bilberry will also be shipped to Que bec.

Nicol was cautioned for rough riding on Michael
Angelo in the sixth race and jockey G. Swain was
set down by the starter for three days for disobedience at the post.

NEW DATE ARRANGEMENTS CONCLUDED.

Grand Jury Investigation Making Progress-Big Race for Saturday.

New York, July 9.—At a meeting of the representatives of the Saratoga and Empire City racing associations and the State Racing Commission, held at the Brighton Beach track this afternoon, it was decided to rearrange their respective racing dates so as to have a conflict of but one day between Saratoga and Empire City this season. The Saratoga meeting will open July 30, and continue until Saturday, August 15, thus making the meeting one of fifteen days' duration. Empire City will open August 15, and run until August 28, twelve days. By this arrangement Empire City will open August 15, and run until August 28, twelve days. By this arrangement Empire City losses four days and Saratoga seven days. The agreement was mutual and the Brighton Beach Racing Association offered its track to the Empire City management free of charge with a view to saving the horsemen the extra expense of transportation to the Empire City track. General manager Winn, on behalf of Empire City, accepted and the meeting will be run off at Brighton Beach.

Nothing was said about the short meetings at the Brighton Beach.

Nothing was said about the short meetings at the Brighton Beach.

It is probable that both will be abandoned and the dates given to Jamaica and Aqueduct. The Empire City program provides for the running of one stake each day. The big \$15,000 feature will probably be decided on the opening day in order to give proper eclat to the occasion.

It is announced that the Trident Handicap, to be decided here on Saturday, will bring out a great field. It has already attracted the entry of Priscillian. Hessian, Question Mark, Frank Gill, Running Water, Big Chief, Old Honesty, Gold Lady and Brother Jonathan. These horses at a mile and a quarter should furnish a great struggle.

The Kings county grand jury in Brooklyn examined witnesses todge of the violetions of the

ning Water, Big Chief, Old Honesty, Gold Lady and Brother Jonathan. These horses at a mile and a quarter should furnish a great struggle.

The Kings county grand jury in Brooklyn examined witnesses today as to alleged violations of the new racing law with particular reference to establishing, if possible, a connection between the betting ring and the racing association. Among the witnesses examined were Michael Curry, Edward Waugh and Joseph Rydeli, who are said to be employed as messengers by John G. Cavanagh, superintendent of the betting ring. What testimony they furnished on that subject could not be ascertained, but it was said that indictments would be handed up tomorrow in the county court.

Charles A. Hart, who was arrested at the Sheepshead Bay track on Monday by deputy sheriffs George A. Owen and Charles D. Kendall, for making a dinner bet with Joseph A. Noonan, was discharged today by police magistrate Tighe in the Brooklyn police court. Acting District Attorney Elder made it known that he did not want to prosecute Hart, as he regarded the arrest as ill-advised.

Mr. Elder intimates plainly that he believes the police and the sheriff are very, lax in enforcing the law. It is known that Mr. Elder has been in communication daily over the long-distance telephone with the governor about the condition of affairs at the race tracks. He gives it as his opinion that either the police or the sheriff can suppress betting at the track within five minutes' time if they wish to.

## LIBERTYITES AFTER SENATOR AGNEW.

New York, July 9.—Louis Cardani, the former Republican alderman, who is at the head of the Personal Liberty movement in Senator Agnew's district, received several hundred applications for membership from persons of all political creeds who have not the remotest connection with racing. Mr. Cardani believes it will be possible to enroil four or five thousand members in the district of the senatorial sponsor of Governor Hughes' measures long before voting time next November. The Republicans of Agnew's district regard that able statesman's repudiation of Hughes after his return from the Chicago convention as evidence of a desire to get in the band wagon. But the rank and file of 'Agnew's party are in favor of racing and they are not disposed to look kindly upon his political pretensions. New York, July 9 .- Louis Cardani, the former

tensions,
E. W. Scheffer, a life-long Republican, is alding
the Elks in organizing the Personal Liberty League
on Staten Island, and he is getting much help from
the Islanders of all political parties.

## BAD RACING CONDITIONS AT DENVER.

Denver, Col., July 9.—Yesterday the Supreme Court of Colorado refused to issue a supersedeas to restrain the carrying out of the lower court's verdict against race track betting. This has effectually prevented any more racing at Overland Park. The game is being conducted at Littleton, which is over the line in another county, where the officers have not interfered with betting. It is far from good sport and will not last long. sport and will not last long.

#### MINTIA BRINGS HIS OWNER TROUBLE.

Seattle, Wash., July 9.—Mintia, at 15 to 1, was the only surprise at The Meadows today. All the other purses went to shorter priced horses, two favorites being included in the list of winners. The stewards instituted an inquiry into Mintia's reversal and learned that when the horse finished nowhere at short odds a few days ago, Roy Offutt, his owner had \$600 on the horse. There was evidence that offset offutt, but today's reversal was the first and the officials rested with a warning that a repetition would not be tolerated from Offutt's stable.

a repetition would not be tolerated from offacts stable.

Centre Shot failed to run quite as well as expected in the handicap, the feature of the card, and The Mist, which mare is now at the height of her form, outlasted Walker's filly in the hottest kind of a finish.

Confessor showed a flash of his old-time form when he vanquished his opponents in the opening tace in a canter. Force, winner of the juvenile race, was one of a carload of horses recently shipped here by Sam Hildreth. Jockey J. McIntyre was indefinitely suspended for failure to persevere with Varietes after getting off poorly with that horse in the third race. The judges claimed that the horse might have finished in the money had McIntyre gone right on with him.

John W. Schorr, the Memphis turfman, is a recent arrival.

YONKERS RACING FOR BRIGHTON BEACH.

## Transfer of Empire City Events to the Track by the

New York, July 9.—It now seems most probable that the Empire City Racing Association will transfer its fifteen days of racing to the Brighton Reach track. Managers Winn and Fitzgerald have, it is said, agreed to the transfer and the State Racing Commission is to be asked to sanction the change.

The Empire City Racing Association decided sometime ago to run off all the valuable stake events arranged for last winter. This was done after the Hart-Agnew bill was passed by the legislature and in spite of the fact that the Yonkers track, having made no money to speak of last season, did not have a reserve fund with which to make up possible losses. As the horsemen who intend to take part in the Empire City meeting stable at Gravesend. Sheepshead Bay, Brighton and Belmont Park, and as the stable room at the Yonkers track is rather limited, it is but natural for these owners of thoroughbreds to agitate a change of scene from Westchester to the Beach. According to the racing laws a track may transfer a meeting to some other race course in case of fire or "for other reasons," and as the Empire City people have no idea of permanently abandoning their plant in Yonkers, but wish to comply with the demands of the horsemen, there seems to be no good reason why the projected change should not be made. The transportation facilities to the Yonkers track are still inadequate and cannot be compared to the improved Brooklyn Rapid Transit accommodations for patrons of the track by the sea.

## CANADIAN INTEREST IN QUEBEC MEETING.

Toronto, Ont., July 9.—There is much of local interest taken in the running meeting to be held at Quebec, starting July 18. All of the horses that have been resting up here since the Hamilton meeting will ship to the east for the meeting. Nat Ray will likely take his string of five. P. Holland will ship Autunn King, which was a winner at Montreal, along with two others. Five of the horses owned by the Presgrave stable now stabled at Woodbine will go down for the meeting. J. Meagher has signified his intention of sending Moonraker and Loretta Mack. Battbrick, one of the seagram cast-offs, and Bitter Hand, will be another pair. There is sufficient stabling for 300 horses at the track, which is now being put in first-class condition. A number of riders who have been unable to get mounts at Windsor owing to the overflow at that place will go to Quebec.

## HILLSIDE AND STATESMAN HAVE BEEN FIRED

New York, July 9.—Statesman, the crack youngster of the stable of Frank Gardner, has gone to Saratoga to rest through the Brighton meeting. The Kinley Mack colt, after winning the Spring Stakes, made a high-class showing in the second part of the Double Event, in spite of a pair of splints. Gardner has fired the colt and he expects Statesman to be ready to race again by fall.

Another fast youngster that has been punch-fired is Harry Payne Whitney's Hillside. Hillside may not race again until the Sheepshead Bay autumn meeting.

## BELMONT FALL MEETING STAKES STAND.

New York, July 9.—It is stated on almost the best of authority that all the rich stakes to be run at the fall meeting at Belmont Park will be fulfilled. This means that the Westchester Racing Association will race according to the regular date schedule, with overnight purses reduced. From what is said just now all the tracks will operate right up to the close of the eastern racing season, November 15.

#### CONEY ISLAND JOCKEY CLUB STAKES

That the Coney Island Jockey Club does not flinch from the burdens imposed on it by the new conditions brought about by the enactment of the Hart-Agnew laws, is attested amply by its distribution of blanks for supplementary entries to five rich stakes, which will be decided at its Sheepshead Bay all meeting. The entries will close at midnight of Wednesday, July 15, and are the following:

For Three-Year-Olds.

For Three-Year-Olds. The September Stakes, \$3,000 added; 1 5-16 miles.

For Two-Year-Olds and Over.

The Flight Stakes, \$3,000 added; 7-8 mile.

For Two-Year-Olds, Flatbush Stakes, \$10,000 added; 7-8 mile. Great Eastern Handicap, \$7,500 guaranteed; ile.

The Autumn Stakes, \$2,000 added; 3-4 mile.

The Autumn Stakes, \$2,000 added; 3-4 mile. It is incumbent on western owners to respondiberally to this courageous offer of the Coney Island Jockey Club. Employment for their good horses is generously proffered here and it is a case where all interested in the turf should pull together. All should unite in making the fall meeting of the club memorable by reason of the gathering of all the good horses of the United States. There is no scaling down of values here and there is no question as to the absolute duty of horsemen in the matter.

This astonishing statement is wired from Lexington, Ky., to various newspapers, which, without knowledge or care for facts, print it: "Outside of the men comprising the Latonia Jockey Club there is general satisfaction among Kentucky horsementhat the racing meeting there has closed." No statement could be farther from the truth than this as applied to Kentucky.

V. A. L., Chicago. You are right. The fact that there was no separate place price was overlooked. The parlay was void as to Montgomery. As to the matter of not losing when one cannot win, it is not a matter of mere opinion; it is an absolute rule of betting, but the wording is not as it is usually quoted. The rule reads: "In all bets there must be a possibility to win when the bet is made. You cannot win where you cannot lose." It is verbatim the English rule also.
